

LIST OF FACULTY FOR IMPARTING CONSULTANCY IN THE AREA OF THEIR EXPERTISE

Sr. No.	Name & Designation of the Faculty	Department	Area of Specialization to give Consultancy
1.	Dr. M.B. Bera, Professor	Food Engineering & Technology	Enzyme Application in Food Processing and Protein Technology.
2.	Dr. D.C. Saxena, Professor	Food Engineering & Technology	<ul style="list-style-type: none"> • Cereal Processing. • Starch Processing. • Extrusion. • Design and Development of Food Processing Machines.
3.	Dr. H.K. Sharma, Professor & Head	Food Engineering & Technology	Dairy Engineering & Technology, Edible Oils/Fats, By product utilization into snacks, Quality evaluation and soft beverages.
4.	Dr. P.S. Panesar, Associate Professor	Food Engineering & Technology	Food Biotechnology/Microbiology/Fermentation Technology.
5.	Dr. Kamlesh Prasad, Associate Professor	Food Engineering & Technology	<ul style="list-style-type: none"> • Process and Products of Fruits & Vegetables (complete aspects). • Nano Technology Bottom-up Approach. • Partial Consultancy in other field of Food Technology.
6.	Dr. Vikas Nanda, Associate Professor	Food Engineering & Technology	Honey Processing.
7.	Dr. Bahadur Singh, Associate Professor	Food Engineering & Technology	Rice Milling.
8.	Dr. C.S. Riar, Associate Professor	Food Engineering & Technology	<ul style="list-style-type: none"> • Cereals, Starches, Food Analysis & Quality Control. • Food Adulteration.
9.	Dr. Sukhcharn Singh, Associate Professor	Food Engineering & Technology	Fruits & Vegetables Processing & Cereal Processing.
10.	Dr. Pradyuman Kumar, Associate Professor	Food Engineering & Technology	<ul style="list-style-type: none"> • Nutraceuticals & Functional Foods. • Dairy Technology.
11.	Mr. Charanjiv Singh, Associate Professor	Food Engineering & Technology	Packaging & Storage.
12.	Er. Navdeep Jindal, Assistant Professor	Food Engineering & Technology	Food Engineering/Cereal Processing.
13.	Dr. Amarpartap Singh, Professor	Electronics & Communication	Machine Vision

LIST OF FACULTY FOR IMPARTING CONSULTANCY IN THE AREA OF THEIR EXPERTISE

		Engineering	
14.	Er. Lakhvinder Singh Solanki, Associate Professor	Electronics & Communication Engineering	Antenna Design, Design of Electromagnetic Components/Devices Production line Automation. Production line Development/Improvement, Audio & video system Installation & Design, Microwave Detection & Imaging.
15.	Dr. Jagpal Singh Ubhi, Associate Professor	Electronics & Communication Engineering	Wireless Communication
16.	Dr. Anupma Marwaha, Associate Professor	Electronics & Communication Engineering	Design of Electromagnetic Devices & Antenna
17.	Dr. Surinder Singh, Associate Professor	Electronics & Communication Engineering	Broadband Communication Network
18.	Er. Ajaypal Singh, Associate Professor	Electronics & Communication Engineering	Image Processing
19.	Dr. V. K. Jain, Professor	Electrical & Instrumentation Engineering	Control Engineering
20.	Dr. J. S. Dhillon, Professor	Electrical & Instrumentation Engineering	Power System Operation, Microprocessor/ Microcontroller
21.	Dr. S. Marwaha, Professor	Electrical & Instrumentation Engineering	Design & Analysis of Electromagnetic Devices
22.	Dr. A. S. Arora, Professor	Electrical & Instrumentation Engineering	Biomedical Engineering, Energy Management, Automation
23.	Ms. Pratibha Tyagi, Associate Professor	Electrical & Instrumentation Engineering	Biomedical Engineering, Control System
24.	Ms. Manpreet Kaur, Associate Professor	Electrical & Instrumentation Engineering	Biomedical Engineering, Image & Signal processing
25.	Ms. Surita Maini, Associate Professor	Electrical & Instrumentation Engineering	Biomedical Engineering, Bio-electromagnetic, Process Control
26.	Mr. Diljinder Singh, Associate Professor	Electrical & Instrumentation Engineering	Micro Controller based Automation

LIST OF FACULTY FOR IMPARTING CONSULTANCY IN THE AREA OF THEIR EXPERTISE

27.	Mr. Anshuka Bansal, Associate Professor	Electrical & Instrumentation Engineering	Biosensors, Immunology
28.	Mr. Manpreet Singh, Associate Professor	Electrical & Instrumentation Engineering	Electrical Machine Design, Computation of Electromagnetic
29.	Mr. Charanjiv Gupta, Associate Professor	Electrical & Instrumentation Engineering	Energy Management
30.	Mr. Asim Ali khan, Associate Professor	Electrical & Instrumentation Engineering	Biomedical Imaging, Digital Signal Processing, Fuzzy Based System
31.	Mr. Gurmeet Singh, Associate Professor	Electrical & Instrumentation Engineering	Electrical Machines
32.	Mr. Manmohan Singh, Assistant Professor	Electrical & Instrumentation Engineering	Power System Operation Optimization, Microcontroller based Systems
33.	Mr. Jaspal S Aujla, Assistant Professor	Electrical & Instrumentation Engineering	Energy Audit, Process Control
34.	Mr. Raj Kumar, Assistant Professor	Electrical & Instrumentation Engineering	Power Quality, Industrial Instrumentation
35.	Dr. Sanjeev Singh, Assistant Professor	Electrical & Instrumentation Engineering	Power Quality, Electric Drives & Energy Management
36.	Dr. S. M. Ahuja, Associate Professor	Chemical Technology	<ul style="list-style-type: none"> • Air Pollution Control • Water Pollution Control • Energy Conservation • Waste Minimisation
37.	Mr. A. S. K. Sinha, Assistant Professor	Chemical Technology	Paper and Paper board Industries Optimization of process parameters, new product development as specialty paper and paper board quality Control and improvement. TQM Utility optimization Experience; 05 years of industry experience; 11 years in teaching and research.
38.	Mr. Vinay Kumar, Assistant Professor	Chemical Technology	<ul style="list-style-type: none"> • Rotational Modeling • Additives and master Batch (Batch) • Polymer Composite.

LIST OF FACULTY FOR IMPARTING CONSULTANCY IN THE AREA OF THEIR EXPERTISE

39.	Dr. Pushpa Jha, Associate Professor	Chemical Technology	Utilization of agro-residues for value added product
40.	Dr. Sanjeev Bansal, Associate Professor	Management & Humanities	Marketing Management & Strategic Management
41.	Dr. Mahehs Kumar, Associate Professor	Management & Humanities	Communicate Skills, Soft Skills, Professional and Organizational Communications
42.	Dr. P.K. Jain, Associate Professor	Management & Humanities	Human Resource Management, General Management, Communication Skills,
43.	Dr. P.K. Dhiman, Associate Professor	Management & Humanities	Human Resource Management
44.	Sh. Mandeep Ghai, Asstt. Professor	Management & Humanities	Marketing related and counseling to Human Resource
45.	Dr. A. P. Singh Professor	Electronics & Communication Engg.	Machine vision
46.	Er. Lakhvinder Singh Solanki Associate Professor	Electronics & Communication Engg.	Antenna Design, Design of Microwave Devices and Instruments, Electromagnetics
47.	Dr. J. S. Ubhi Associate Professor	Electronics & Communication Engg.	Wireless Communication
48.	Dr. (Mrs.) Anupama Marwaha Associate Professor	Electronics & Communication Engg.	Design of Electromagnetic Devices and Antenna
49.	Dr. Surinder Singh Sodhi Associate Professor	Electronics & Communication Engg.	Ultra High Speed and Broadband Communication Network
50.	Er Ajaypal Singh Associate Professor	Electronics & Communication Engg.	Image Processing
