Nipun Rover Testing Camp organized by Bharat Scouts & Guides: A Report

Nipun Rover testing camp is organized at Baba Hardy Singh, Natural Re-treat Park, Sheilgaon (H.P.) by Bharat Scouts & Guides, Punjab during the period of 17th March to 21st March 2019.

Scouting is not only a fun and entertainment but also an education. It pleases one's soul and mind in our life. Baba Hardy Singh, Natural Re-treat park, Sheilgaon (H.P.) is situated in the lap of Nature which provides such a refreshing atmosphere it seems that nature itself is welcoming the visitors.

1st time initiated by our college to attend the camp which is organized by BSG which is not possible without the full motivation and guidance of honourable Director Sir (Dr. S K Jain). Also, I want to heartily thanks to Dean SW (Dr. D C Saxena) and Chief wardens (Dr. J.S. Ubhi & Dr. Vikas Nanda) without all the above said it is not possible for faculty coordinator to accomplish this task.

On 17th March 2019, through our college Bus at 5 AM from SLIET to Baba Hardy Singh, Natural Re-treat Park, Sheilgaon (H.P.) had gone to attend a Nipun Camp which is organized by BSG with 47 students and two faculty members (Mr. Jonny Singla AP (ME) & Mr. Sunil Bansal AP (EIE) had reached around 4 PM. When we reached there, every student takes a tea and after some time they assembled all the students at one point and announced the full planned activity during the Nipun Camp of five days.

Firstly, they made eight crew team with different names like Sardar Udham Singh, Sardar Bhagat Singh etc. of 5-6 members each and assigned a task and chosen a one crew leader. After that they discussed about a camp rules like dress should be proper, everyone should maintain punctuality, proper sanitation should be done, no one is allowed to leave the camp site without prior permission to LOC, mobile phones should be switched off during session time and so

many other things discussed about the camp rules. Then they assigned a camp duty individually to each crew team in which different task have been assigned like assembled the students at one point, morning exercise, Prayer, flag song, inspection of the camp, crew leader meeting, campfire and also maintain the decorum during breakfast, lunch and dinner.

Students have learned a lot of things which are picturised below:

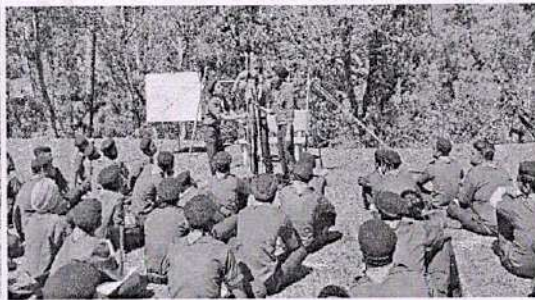

(How first aid given to any persons during emergency)

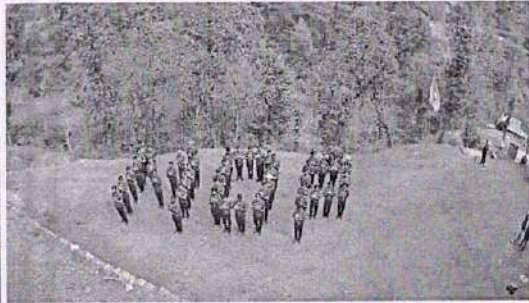

(How to make a knots)

Trekking event

How to make a gadget during rescue operation

Prayer and Flag ceremony

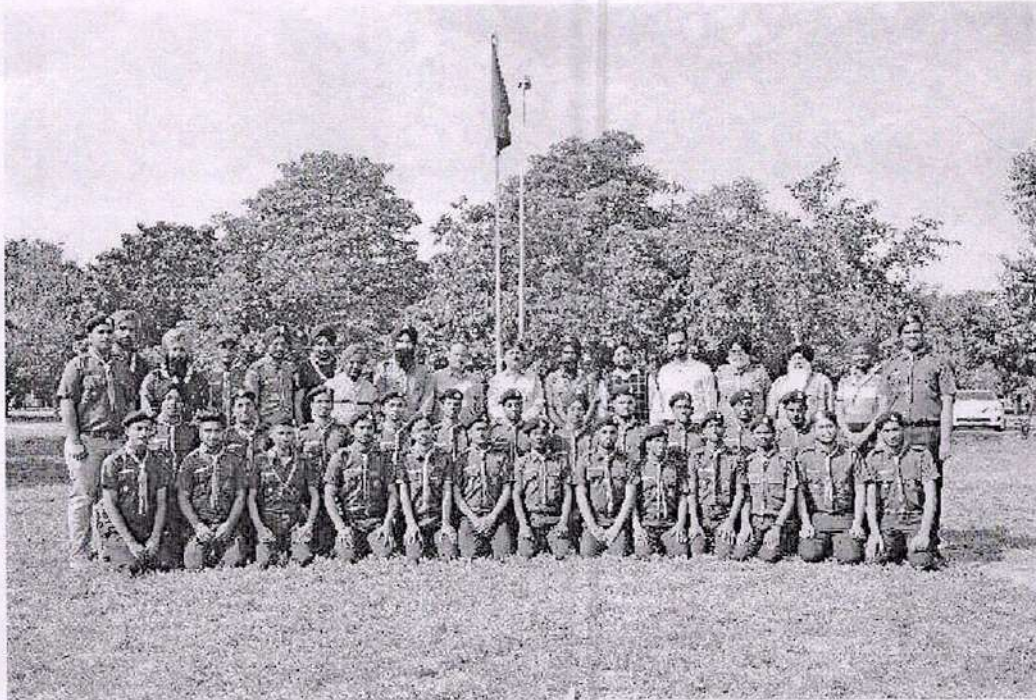

Overall, it's a very good experience for the students as well as for the faculty members in which they have learned how to survive in an odd condition and how to help others. Actually, this camp makes a student strong physically and mentally both, disciplined and punctuality and all these things are very much necessity to become a role model in a society and encourage to others also to make a aim and objective of our life.
