Dear Madam,

We are pleased to inform you that your project proposal entitled '*High accuracy determination of rheological properties of drilling fluids using Marsh funnel*' has been selected for the project grant (seed money) of Rs. 10,000/- (Ten Thousand only) for the year 2022-23.

Please note the following points:

- The **fund shall be utilized** for consumable and product testing, etc.
- The **fund shall not be utilized** for travelling expenses, honorarium, scholarship or fee payment. No permanent equipment like computers and peripherals can be procured under this grant.
- The students/s and their supervisor/s should maintain a book of accounts of all the expenditure incurred under the project and must submit a UTILIZATION CERTIFICATE endorsed from the Head of The Institute (to be typed on the letter-head of the organization) should also be submitted along with the final report. The format of the UTILIZATION CERTIFICATE will be available on the IChE website.
- The duration of the project is a maximum of 12 months.
- The hard copy of the project report shall be submitted by the student/s and supervisor/s of the project to the IChE via speed post/registered post to the following address:
Indian Institute of Chemical Engineers
Dr H.L. Roy Building, Jadavpur University Campus, Raja S.C. Mullick Road, Post Box 17001, Kolkata 700032, India
- The soft copy of the project report and the utilization certificate also have to submit to the below given email id:
iichehq.council@gmail.com

The students/s and their supervisor/s while submission of any paper to any journal and conference on the subject, arising out of this project work, should acknowledge the financial assistance of INDIAN INSTITUTE OF CHEMICAL ENGINEERS in the following manner:

"The author/s thankfully acknowledges the financial support provided by INDIAN INSTITUTE OF CHEMICAL ENGINEERS for carrying out B.E./B.Tech. project work in this subject".

With Regards,
Dr. Sujoy Bose
